MESSAGE FROM THE PRESIDENT

Hello Pinon Poolers,

Greetings from the Pinon Park Pool Association Board.

We know that all of you are anxious to find out about plans for the Pinon Pool for this summer, and in waiting for details on what COVID would bring, we know it has taken us a little longer to get information out. There is good news, it looks like we will be having a more normal pool season this year than we did the last. According to the state's guidelines, we are currently Turquoise which means that we will be allowed to have 75% capacity at our pool and recreational swimming. We are still required to maintain 6 foot of separation, but this is much improved over the restrictions from last year!

We would also like to thank those that helped keep our pool afloat (snicker) last season. It was certainly not an easy task. Looking at the increase in minimum wage and the general cost of the 2020 season, the Board has decided on a 10% increase on membership fees. Thank you for continuing to be patient with us as we do what we can to provide our community with a place to make summer memories in the water!

We are looking forward to an enjoyable upcoming season and we can only do it with your help! We have posted our opening workdays, essentially the four Saturdays in May, so that we can be ready to open on Memorial Day. Our membership forms are updated

We look forward to seeing you there!
